Cancellation/No Show Policy:

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment book.

If an appointment is not cancelled at least 24 hours in advance, you will be charged a twenty five dollar ($25) fee this will not be covered by your insurance company.

Prescription Refills:

Please allow 48 to 72 hours to fully process medication refill requests. In order to submit a request, please contact your pharmacy and have them send in a "Medication Refill Request" to our office and it will be handled accordingly.

In some cases, the providers will request to see you for an appointment before filling the prescription(s) for various reasons. In this situation, you will be contacted by a staff member to set up an appointment to meet with the provider.

By signing below, I acknowledge the above information and understand office policies.
